In the Horned King's castle dungeon, a beautiful naked woman is chained to a large wooden plank. The lich gazes lustfully at her.

Despite her cries, laments and pleas, the Horned King strokes her two round bulges. He licks her neck and boobs. He suckles her little pink buds with pleasure. The woman moans. He strokes her pussy crack. He digs his fingers inside her. He gently caresses the walls of her wonderful cavern. He squeezes her G-spot hard until the woman named Lil orgasms with a shriek of pleasure.

The Horned King smiles. His tongue delights in Lil's love juice. He licks deep inside her. Lil moans loudly. Then he enters his dick into her wonderful cavern and rams until he ejaculates.

The Horned King may be a lich, but with the right sex magic, he can still have sex and cum.

He pulls away from Lil, all the while telling her he has a surprise for her. A new kind of pleasure.

"It's your turn, Olimar." He says to someone Lil can't see from where she is.

"N-No! I refuse to do such a thing! I'm not a rapist!"

"Either you do it or I will kill your wife!"

"You lie! You don't have my wife. I arrived on this planet alone!"

"Then I will kill you! All I have to do is break your helmet, am I wrong?"

"I-I-I..."

There was a long silence then Olimar said he would do it.

"Good, good~." replied the Horned King. "Enter her wondrous cavern~."

Lil was about to ask what was going on when she felt something enter her pussy. Something small, like an insect. She gasped and moaned.

"Continue, Olimar~. Explore it, stroke its walls~."

Lil feels the thing caressing her pussy's inside. She moans continuously.

"Yes~, make Lil cum again for me!"

The thing crawls, caresses, moves fast inside her. Lil screams and she cum quickly.

"Excellent, excellent, Olimar~. Come back to me now."

Lil felt the thing come out of her pussy.

"Good work, Captain. You're free to leave now."

"Horned King... one day, you'll pay for this! I swear!"

Lil tries to see this Captain Olimar, but she doesn't see anyone. However, she hears what seems to be footsteps moving away. The lich asks Lil if she liked the surprise, the new kind of pleasure. Lil doesn't answer him. Instead, she cries out when the Horned King's tongue licks her pussy again to drink her love juice.
